

STATEMENT OF PURPOSE

RS20817

Amend Idaho Code §33-3721 to remove reference to state appropriations for the health education programs being deposited to the “Professional Studies Account.” This account was created by an act of the Legislature in 1983, but the account was never formally set up in the State’s accounting system, so no state appropriations have been run through the account. Auditors have recommended that either Code be followed or be aligned with current practice. Staff cannot identify any value added by using the account for appropriated funds.

FISCAL NOTE

There is no fiscal impact to any fund. This amendment would simply codify current practice.
